Every moment offers the chance to create something new.
A true friend is one of the most precious treasures.
May the season's celebration bring you peace and joy.
We are born free and loving beings.
I will help you to stay in a steady flow of abundance.
If you're happy you should show it!
A heart that loves is forever young.
Fly with me and learn the answers to the riddles of the universe.
Faith is believing in what you can't see.
The world is full of magical things just waiting for you to discover.
Winter is never cold for those with warm hearts.
Love freely.
Starry nights power the best wishes.
Have the courage to trust yourself.
It is love in your heart that spreads love in the air.
What you do today will blossom tomorrow.
You cannot do something until you try it.
You're only invisible to those who don't deserve to see you.
If you find something you want, fight for it.
Imagine your wish. Have faith that it will come true.
Be brave enough to go wherever your dreams take you.
Snow is a magical blanket that makes all things new.
It takes courage to love with your whole heart.

I give you courage. Now you can release your fears.
Find what you do well and embrace it.
It's all right to say no when you need to.
When someone asks you a question, open your heart to her.
Think positive every day! Feel the bliss of joy and energy that comes with it.
